

2025 EXTRA Sponsorship Letter Pass Area AYSO Region 641

Dear Contributor,

Pass Area American Youth Soccer Organization (AYSO) Region 641 - representing the Pass Area Communities of Beaumont, Banning, Cabazon, Calimesa and Cherry Valley - will be participating in the **2025 AYSO Section 1 Extra West Circuit**. Teams from Pass Area AYSO Region 641 will be playing games at their home park located at Beaumont's Sports Park, as well as traveling to play in surrounding cities in the Inland Empire, Southern California and possibly out of state. This season runs from August 2025 to July 2026. The boys and girls participating in the Extra program have been selected to represent the community based upon their skills, attitude and desire to develop their game at a higher level of competition.

Extra teams are required to raise their own funds so that they can pay league and tournament fees, purchase team gear and fund team activities. Sponsorship from local business is an integral part of Extra team fundraising along with parental contributions and other direct fundraising activities.

This year we are asking for your help to support one of the teams representing the region in Extra play. While there are recommended levels of sponsorship, no amount will be turned away and the region acknowledges and is grateful for all contributions.

If you have any questions about Pass Area AYSO Region 641, Extra, and/or AYSO in general, please contact the Regional Commissioner Chris Call at rc@passareaayso.org. You can also visit Pass Area AYSO Region 641 on the web at www.passareaayso.org or on Facebook by searching AYSO Region 641.

Thank you for your support,

Chris Call
Regional Commissioner
